REPORT OF THE BUILDING INSPECTOR

1964 did not show as much activity in construction as in 1963. Thirty-eight permits were issued. Six new homes were built, five new trailers were added, and one summer cottage. The balance of the permits were issued for additions and alterations. Our new San N' Snow Motel was completed on Rt. 9.

We are still having trouble with the job being started before the permit is obtained. This is more than 90% in the trailer field. Please tell your friends! ! Seldom do we find anyone who has decided to make their home in Chesterfield that did not have at least one friend here before they came. All trailers must be on a permanent foundation. Again, please tell us by post-card, if a phone is not available, when your job is completed.

At this time I wish to thank everyone for the cooperation you have given on compliance. We are only trying to make it easier for you. Thanks.

Respectfully submitted,
GEORGE E. JOSLIN

REPORT OF THE CHESTERFIELD LIBRARY

The year 1964 was a very satisfactory one for the library. More people have been using the library facilities. Even though our total circulation was down a little from last year it has been gratifying to see more people coming down into the library on Saturday afternoon and evening.

During the past year we had 107 adult patrons and 125 juvenile patrons. This does not include the people who stopped by just to see the library. We had a large number of these visitors this past summer.

I would like to thank the following people for their gifts to the library: Mrs. Alene Selchow, Mrs. Morris Friedsam, and Mrs. Jeanette Dean. I would also like to thank Doreen Mills for her help in the library this year.

The library has again been served by the State Bookmobile. Many fine books were exchanged each time. Books have also been exchanged with our branch libraries during the year.

Petty Cash Report

Balance on hand 1/1/64	\$ 3.16

SUPERINTENDENT'S REPORT

TO THE CHESTERFIELD SCHOOL DISTRICT

The estimated enrollment for 1965-66 indicates the need to divide at least one more class. Grades 1, 2, 3, and 4 are now divided into two sections, and with grade five divided next year, we will need one more room than is now available.

To construct one additional, or even two additional, rooms does not appear to be the real answer to the problem. There is the possible choice of discontinuing the school lunch program and using the auditorium-lunch room as a classroom. This would allow the district to mark time for a year; however, one year from now the estimated enrollment indicates an additional room will be needed, and each succeeding year an additional room will be needed if Chesterfield is to continue to provide a good educational program. I advise very strongly against using hallways and doubling up of classes as was done previously. The children that were a part of that crowded situation are still struggling to make up for that experience.

If the district has definitely decided to educate grades one through eight in Chesterfield, I would suggest the consideration of planning now and building as soon as possible the facilities that will provide adequate educational opportunity for all the children.

One may ask why do we have to have more rooms when the total enrollment is not a great deal more than it has been? The answer is that the classes have been very close to the size that requires division into sections. An increase of fifty in total en-

rollment is equally distributed to each grade can cause the enrollment of each grade to reach the size requiring division into units that allow a reasonable teaching load.

The water shortage last fall made it necessary to make a decision. It was decided to drill another artesian well rather than to continue with an ever-present threat of not having enough water to enable school to remain in session. A deficit appropriation of \$3,000 was approved by the Municipal Budget Committee and was approved by the State Department of Education under authority of RSA 32:10a. The total cost of the additional well was \$4,024.60.

Due to increases in the anticipated income, the amount raised by local taxation as anticipated at the March, 1964 meeting was reduced by \$9,446.70. The major areas of increase were: June 30th balance increase of \$2,161.30, school building aid \$918.56, and sweepstakes \$6,166.83. The total amount at the time of the March meeting was \$168,024.70. The actual amount raised by local taxation for the current year was \$158,578.01.

Due to the October, 1965 retirement of the Superintendent of Schools of Supervisory Union No. 5, the State Department of Education requested that Supervisory Union No. 60 annex the school districts of Acworth, Charlestown and Langdon effective October 1, 1965. The school board members of Supervisory Union No. 5, the school board members of Supervisory Union No. 60, and the school board members of the Fall Mountain School District voted affirmatively on the State Department's request. The State Board of Education confirmed the action and as of October 1, 1965, Supervisory Union No. 60 will be composed of the Acworth, Alstead, Charlestown, Chesterfield, Langdon, Marlow, Walpole and Westmoreland School Districts. It is expected that the enlarged Supervisory Union will be of this size until July 1, 1966.

Mrs. Ruth Joslin will replace Mrs. Mary Freitas as first grade teacher for the second semester of this school year. Mrs. Joslin did her practice teaching in Dover, N.H. and will receive her degree from the University of New Hampshire.

CHESTERFIELD SCHOOL LUNCH PROGRAM

REPORT

July 1, 1963-June 30, 1964

The Hot Lunch Program opened September 16, 1963, with Mrs. Louise Scharles as Manager and Mrs. Elli Herrick as her Assistant.

Until December 1963 the reimbursement rate from Federal Funds remained at 5¢ for each Type A meal served, but was reduced to 4¢ in January 1964. However we managed to keep up the price of 25¢ for Childrens Lunch to the end of the school year.

Under the Special Milk Program, we received 4¢ reimbursement for each $\frac{1}{2}$ pint of milk served less 2% reduction.

Each day we serve from 195 — 250 balanced meals.

Menus of the School Lunch Program are made up in advance for the entire month and copies are given to each child and teacher; thus the parents know what the children are eating each day. Children are served portions in accordance with their ages and recommendations of their teachers. Children with good appetites can return for second servings.

Thanksgiving Day and Christmas Turkey Dinner with all the trimmings were served with the extra help of Mrs. Herta Schoeffmann.

From the Government we received Surplus Commodities, which made it possible to keep up the rate of 25¢ a meal until June.

The School Lunch Program was managed without financial help from our township.

Due to the reduction of the reimbursement rate from 5¢ to 4¢ per meal by the Government and the reduction of 5% on the reimbursement of the Special Milk Program, it was decided by the School Board to increase the price 1¢ per meal to 26¢ for children and 31¢ for adults from the beginning of the new school year.

Also this year, our Principal Mr. Bellavance and his staff were always helpful supporting our program. I wish to thank them all and also Mrs. Elli Herrick, my assistant, for helping to make the Lunch Program a success.

Respectfully submitted,
MRS. LOUISE SCHARLES

This year again Mrs. Marjorie Plaisted, dental hygienist, visited the classrooms and talked to the students about good dental health. The dental cards were given out as done pre-

vously, but the response, this the second year of this program, was not as gratifying as the first year. This program has been beneficial, I hope, in informing the students of the importance of good dental care.

We want to say thank you to the school staff for their patience, despite the numerous interruptions of their classes and to the parents for their cooperation.

PRINCIPAL'S REPORT

To the Citizens of Chesterfield:

The most important prerequisite of good education in any community is a staff of able teachers. Though there are certainly other considerations, this, I firmly believe, is the primary one. We may not agree as to what constitutes a skilled teacher, but I am sure we all agree that they are necessary for good education. Consequently, when good teachers are lost, the end result is a poorer quality of education within the community.

The new teacher is one who is normally well prepared to assume the responsibilities of a classroom. However, she generally is not one who has experience, one who knows the community and the system of education it offers, or one who knows the children. It takes time and energy for a new teacher to fully replace one who has been in a school for a number of years. Hence, it is all the more important that we keep our experienced teachers at all costs, for they are the ones who make the school work for the benefit of all children.

In the past we have been very unfortunate in respect to our teaching staff. Last year alone we lost five teachers (41% of our teaching staff), four of whom had been with us two years or more. These people represented much of the core of the community's educational system, especially in the primary grades. Yet, we lost them. It will take time to recover the knowledge and experience lost to us when these people left. We must realize that we can not afford year after year to lose the people who are most important to us. Therefore, I highly recommend we give serious thought to the problem and do whatever is in our power

to create a situation whereby a stable faculty will result.

Faculty

This past year we had five vacancies, three in our primary area, one in our intermediate area, and one in our junior high. All our positions were filled, two by experienced teachers and the others by recent graduates. The new teachers filled the following vacancies: Mrs. Mary Freitas replaced Mrs. Barbara Lammela in grade 1, Mrs. Carolyn Scruton replaced Mrs. Willa Moore in grade 2, Mrs. Jean Blastos replaced Mrs. Eleanor Scripture in grade 3, Miss Susan Colby replaced Mr. Norman Blue, and Mr. Herman Chase replaced Mr. George Adams in grade 7.

Maintenance

This year, as in past years, we have tried to continue a program of maintenance and improvements. Under this program we were able to paint two additional classrooms, replace two tile floors, and begin painting the white trim on the outside of the building. With the continuation of our present maintenance schedule, it will be only a short number of years before the entire building will be in excellent condition.

Maintaining a building so that it is a healthy place for young children requires many hours of hard work. It is not just anyone who will accept this responsibility. Fortunately for us we have Mr. Merton Davis and Mr. Edwin Wilkins who have the interest and who are willing to do a good job. As a result, we have a very clean and well maintained school building.

School Library

The school library has greatly improved since its inception in November of 1962. We have vastly increased the number and quality of books now available to our students. However, we still do not meet the minimum requirement of ten books per child as recommended by the American Library Association and the Guidelines for N. H. Elementary Schools.

Another matter which should be given some consideration in the event of future construction is the size of the library. There is a great need for more space, not only to house the additional books purchased each year but to make it more practical in respect to pupil use. Presently the library is often crowded to the point where it is difficult for the librarians to work and the students to make book selections or use reference materials. Eventually, unless something is done, the lack of space and the increasing pupil enrollment will make it necessary to curtail library services now available.

Curriculum

In order to compensate for the large turn-over in our teaching staff each year, we proposed and placed into operation a plan for the departmentalization of grades four through six. By doing so we have been able to utilize to a greater degree the special training of each teacher. We have every reason to believe the end result will be an improvement in overall achievement by every student.

Another attempt has been made to improve our programs in reading and arithmetic by assigning one larger group to each teacher rather than the conventional two. This change has permitted each teacher to spend more time with the class as a whole, thereby covering more material than has been possible in the past. In addition to the material covered, it enabled us to plan a 15 minute supervised homework period where all students may begin the day's assignments under the direct supervision of the teacher. Both of these changes have reaped benefits.

SCHOOL DISTRICT MEETING

School District Meeting
Chesterfield Central School
Chesterfield, New Hampshire

March 7, 1964

The meeting was called to order at 3:12 p.m. by the Moderator, Harry E. Winn, and the Clerk read the Warrant through Article I. The Moderator then declared the meeting open for balloting for the necessary School District officers.

Prior to the opening of the meeting the following ballot clerks were appointed by the School Board: Agnes B. Chickering, Anna C. Hubner and Phyllis Henchey. They took the oath of office from the Moderator. A count of the ballots showed 627 ballots.

The Moderator appointed Lawrence Thomas assistant Moderator, and Wayne Winn assistant Clerk. They took the oath of office from the Moderator.

At 8:05 p.m. the Moderator again called the meeting to order and the Clerk read the balance of the Warrant.

The Articles of the Warrant were then disposed of as follows:

Article 2. Voted by a voice vote on a motion made by James E. O'Neil and seconded by George Joslin that the Article "To determine and appoint the salaries of school board members, and the truant officer, and to fix the compensation of any other officer or agents of the district" be passed over. Motion carried in the affirmative.

Article 3. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

Kenneth Wiggin reported for the Study Committee, appointed in 1963. A copy of this report is attached to these minutes. Agnes B. Chickering moved that the report be accepted as read. Seconded by Charles Moore. Motion carried in the affirmative.

Article 4. Voted by voice vote on a motion made by George Joslin and seconded by James E. O'Neil that the Article "To choose agents, auditors and committees in relation to any subject embraced in this warrant" be passed over. The motion carried in the affirmative.

Article 5. Voted by a voice vote on a motion made by George Joslin and seconded by Dorothy Thomas that the dis-

strict raise and appropriate Thirty-five Hundred Dollars (\$3,500.-00) to be made available prior to June 30, 1964, as a deficit appropriation for teachers' salary, caused by the employment of an additional teacher to assist with the heavy pupil enrollment during the present year. Motion carried in the affirmative.

Article 6. Voted by voice vote on a motion by Charles Moore and seconded by Leonard Laskowski that the district approve inclusion of its officers and employees, other than those eligible under the Teachers Retirement System, in the Employees' System of the State of New Hampshire, which system is provided for by Chapter 27A of the Revised Laws as inserted by Chapter 183 of the Laws of 1945 and as provided by Chapter 201 of the Laws of 1945 and any subsequent amendment thereto. Motion carried in the affirmative.

Article 7. Voted by voice vote on a motion made by Dorothy Thomas and seconded by James E. O'Neil that the district vote to raise and appropriate the sum of \$170,429.70 for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. Motion carried in the affirmative.

Article 8. Voted by voice vote on a motion made by Fred Korradi and seconded by Robert Fredericks that the district authorize the School Board to enter into a tuition contract with the Keene School District for tuition at Keene High School. Motion carried in the affirmative.

Article 9. Voted by voice vote on a motion made by Fred Korradi and seconded by George Barrett that the district authorize the School Board to enter into a tuition contract with the Brattleboro School District for tuition at Brattleboro School District for tuition at Brattleboro High School, also the Frances Hicks & Austine Schools. Motion carried in the affirmative.

Article 10. Voted by voice vote on a motion made by Leonard Laskowski and seconded by Myron Ingalls that the district authorize the School Board to make application for and to accept and use in the name of the district, such advances, grants in aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States government or

any department or agency thereof, or any state or private agency. Motion carried in the affirmative.

Article 11. Voted by voice vote on a motion made by George Barrett and seconded by Wayne Winn that the Special Study Committee (set up under Article 3) be empowered to bring in such Article or Articles at a subsequent school meeting as may be needed to implement its recommendations. Motion carried in the affirmative.

The Moderator named the following to the Special Study Committee: Kenneth Wiggin, Anna C. Hubner, Wesley Darling, Lester Chickering, Charles Moore, and George Barrett. At this point, James E. O'Neil moved that the Moderator name Wayne Winn to this committee. Seconded by George Joslin. The motion carried in the affirmative. Wayne Winn's name was added to the committee by the Moderator.

Voted by a voice vote on a motion made by George Joslin and seconded by Robert Fredericks that the meeting give the School Board an expression of confidence to talk on in bargaining on more than a year's time with the Keene School District, Brattleboro School District, Frances Hicks and Austine Schools. Motion carried in the affirmative.

At 9:29 the Moderator recessed the meeting.

At 9:30 p.m. the Moderator declared the polls closed.

A count of the ballots resulted as follows: Number of votes cast 202.

For Moderator: Harry Winn had 186 votes, James E. O'Neil, Marilyn Hubner, Warren Allen, H. Claude Mowry, and Leonard Laskowski each had one vote. Harry Winn was declared elected Moderator for the coming year by the Clerk, H. Claude Mowry, and took the oath of office from the Clerk.

For School Board Member for (3) years: James E. O'Neil had 189 votes, and Marilyn Hubner had 13 votes. James E. O'Neil was declared elected a member of the School Board for (3) years.

For Clerk: H. Claude Mowry had 190 votes and Gerald Knickerbocker had 1 vote. H. Claude Mowry was declared elected Clerk for the ensuing year.

For Treasurer: Evelyn Winn had 191 votes, Ann Hall had 1 vote, and Marilyn Hubner had 1 vote. Evelyn Winn was declared elected Treasurer for the ensuing year.

For two Auditors for the ensuing year: George Barrett had

29 votes, Warren Allen had 44 votes, Carl Johnson had 12 votes, Marilyn Hubner had 4 votes, Anna Hubner had 4 votes, George Marrow had 4 votes, Marilyn Hoag had 4 votes, Joanne Morse had 12 votes, and there were 37 scattered votes. Warren Allen and George Barrett were declared elected Auditors for the ensuing year.

James E. O'Neil, H. Claude Mowry, Evelyn Winn and George Barrett took the oath of office from the Moderator, Harry Winn.

George Joslin moved that the meeting be adjourned, seconded by James E. O'Neil. Motion carried in the affirmative.

At 10:23 p.m. the Moderator declared the meeting adjourned.

H. CLAUDE MOWRY, Clerk

On March 21, 1964, Warren Allen took the oath of office as Auditor from H. Claude Mowry, Clerk.

School District Meeting—Town of Chesterfield—March 7, 1964

To the Citizens of the School District:

The present committee has operated without a chairman.

Therefore, due to the limited time this committee has operated, we wish to make the following recommendations:

1. There should be a study group, appointed by the Moderator, consisting of seven (7) people, to be active no later than May first.

2. The first meeting to be called by the Moderator, at which time the chairman will be elected. This committee will work in close cooperation with the School Board.

These recommendations are based on the following reasons:

1. Classroom space had doubled in the past twelve years.
2. All rooms are now in use.
3. Indications, based on present census and past trends, show that student enrollment will continue to increase.
4. This committee feels that in the near future we have two choices: Build additional rooms or tuition our seventh, eighth and high school students to Keene.

Respectfully submitted,

ANNA HUBNER
KENNETH WIGGIN
WESLEY DARLING
LESTER CHICKERING

Special School District Meeting

Chesterfield Central School

Chesterfield, New Hampshire

September 26, 1964

The meeting was called to order at 8:08 p.m. by the Moderator, Harry E. Winn, and the Clerk read the Warrant, consisting of one (1) article.

George Joslin moved that the meeting be recessed for a discussion of the subject. Seconded by Charles Moore. The motion carried.

The meeting was recessed and a discussion ensued.

The Moderator called the meeting back into session to consider the article.

George Joslin moved that an Area School District Planning Committee be created. Seconded by Charles Moore. The motion carried.

George Joslin moved that the Moderator be empowered to appoint the committee. Motion seconded by Anna Hubner. The motion carried.

The Moderator appointed Mrs. Dorothy Thomas, Mrs. Clara Wellington, and Warren Allen to be members of this committee.

The meeting adjourned at 8:45 p.m.

H. CLAUDE MOWRY, Clerk

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2270 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 76% wooded and its economy—both industrial and recreational—is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area—1,350,000 acres—is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes, (1) permit fires allowed to escape, (2) children playing with matches, and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.
